Elevator Car Styles

Flat Panel

The Flat panel car offers an unlimited opportunity to be customized and trimmed right in your home to complement your style.

Shaker Panel

Modeled after the simplistic design and rugged durability of the Shaker culture, the Shaker panels embellish the elevator with their clean lines and subtle nuance.

Elevator Car Styles

Recessed Panel

Providing flat central panels adorned by a raised border, the Recessed panel will add depth and elegance to any elevator.

Raised Panel

Manufactured by skilled craftsmen, the sweeping contours in the panels, accented by offset border trim, makes the all hardwood Raised panel car stand out.

Elevator Doors & Gates

Two and Three Speed Doors

The look and convenience of a commercial elevator, designed with custom finishes to match your home.

- Standard Finish: Beige
- Also available in Brushed Stainless Steel or powder-coated steel
